A screenshot of the Kahoot! interface for a quiz titled "Cursus Vier pedagogische basisdoelen". The page features a purple navigation bar at the top with icons for Home, Discover, Kahoots, Reports, Upgrade now, Create, and settings. The main content area shows a list of 13 questions. The first four questions are visible, each with a 30-second timer and a small image representing the question's theme. The first question is about a guest parent's environment. The second is about respecting a child's characteristics. The third is about recognizing the next development zone. The fourth is about providing space for children to play. On the left side, there is a "Play" button and information about 14 players and 1 play. The creator is identified as "FDBdeBruin" and the quiz was created 2 months ago.
